Terms & Conditions of The Mentoring Program

You MUST include a copy of your resume (no more than one page) with this application and email them both to: TheMusicBusinessNetwork@gmail.com. If you have not filled out this form correctly or attached your resume you will not be eligible for participating in The Mentor Network.

Once you have been assigned a mentor (and provided with their contact information) you will be required to contact that individual within one week of obtaining their information. If you do not do this you will not be able to continue participating in the mentor network. Mentors are extremely busy and are offering their time to help you for free. Respect their time and their willingness to assist you.

You will only be eligible to obtain two mentors (they can be from different fields depending on your areas of interest). Please be sure that you ensure that your interests and career goals match with the type of mentor you are seeking, so that this program benefits you to the fullest extent.
